Forecast for Sunday 06 Jun 2021

Weather: Dry overnight with broken cloud and patchy hill fog. Any early low cloud breaking up soon after dawn and then burning off before mid morning. Good sunny spells through the day.

Chance of cloud free mountain/hill tops above 800m: 40% until shortly after dawn, then rising to more than 95% by mid morning.

Visibility: Locally very poor due to a few banks of low cloud at 500-750m overnight. Once this burns off the remaining very good for the rest of the day.
